**CHIQUITITA**

Chiquitita, tell me what's wrong, You're enchained by your own sorrow  
In your eyes there is no hope for tomorrow, How I hate to see you like this  
There is no way you can deny it, I can see that you're oh so sad, so quiet

Chiquitita, tell me the truth, I'm a shoulder you can cry on  
Your best friend, I'm the one you must rely on, You were always sure of yourself  
Now I see you've broken a feather (How it hurts to see you cry)  
(And how it hurts to see you sad) I hope we can patch it up together

Chiquitita, you and I know  
How the heartaches come and they go and the scars they're leaving  
You'll be dancing once again and the pain will end  
You will have no time for grieving

Chiquitita, you and I cry, But the sun is still in the sky and shining above you  
(Even though we cry, the sun is shining in the sky)  
Let me hear you sing once more (so let me hear you sing some more)  
Like you did before (the way you used to do before), Sing a new song, Chiquitita

Try once more like you did before, Sing a new song, Chiquitita

So the walls came tumbling down, And your love's a blown out candle  
All is gone and it seems too hard to handle, Chiquitita, tell me the truth  
There is no way you can deny it, I see that you're oh so sad, so quiet

Chiquitita, you and I know  
How the heartaches come and they go and the scars they're leaving  
(You and I we know, how the heartaches come and go)  
You'll be dancing once again (you'll be dancing once again)  
And the pain will end (and all the pain you take will end)  
You will have no time for grieving

Chiquitita, you and I cry, But the sun is still in the sky and shining above you  
(Even though we cry, the sun is shining in the sky)  
Let me hear you sing once more (so let me hear you sing some more)  
Like you did before (the way you used to do before) Sing a new song, Chiquitita

Try once more like you did before, Sing a new song, Chiquitita  
Try once more like you did before, Sing a new song, Chiquitita
